In office. On a call now; will give you a call when that's done. Should be another 10 or 15 minutes.

Subject: NRC opinion

I saw an article over the holidays saying that the NRC issued an opinion on DB. I'm attaching the opinion in case you are interested. I haven't read it yet, but from the article, I understand that they affirmed the ASLB's opinion on the 2 NHPA contentions, meaning that they want the consultation process to run its course.
